

# JEWISH BEREAVEMENT GROUP

For those who have lost a loved one within the last 18 months

Following the death of a loved one, each of us moves in our own time and in our own way, through a process of grief, mourning and adjustment. But we do not have to grieve alone...

This is a weekly group in which members converse openly and support one another through the grief process. Open to any Jewish adult, regardless of affiliation, who has lost a loved one within the past 18 months.
